THE ENDURING SHORE

The sun lighting a stand of sea grass with a yellow green luminosity is the moment captured on our cover. This photo taken at Pico Beach is adjacent to the Ned's Point outlook above. No matter what storm lashes this shore, it is our good fortune that the tender grasses and the shifting sands can bend and flow with the blows of nature and remain much as before with only a new shape or slope to be redefined by the the tide and flow of the endless waves and eddies.

There's Good News, Too

MATTAPOISETT SELECTMEN'S MEETING SEPTEMBER 10, 1991 by VIRGINIA MORGAN

For those who say newspapers print only bad news, there were two encouraging items at this week's Selectmen's Meeting.

In the aftermath of Hurricane Bob, Henry I. Norton of Duxbury, who has enjoyed driving to Ned's Point, was so affected by the damage done that he sent the town a check in the amount of $15. to be put toward repairs to the driveway at the water's edge.

DESIGNER KITCHENS BY Angela

Writing to selectmen, Mr. Norton said, "We enjoy driving to Ned's Point once or twice a year; it is a favorite of my daughter as well as ours. My ancestors ran a grain mill on the river and lived at the corner of New Boston Road and Bridge Street. I think that I195 is over the site of the house and possibly the mill. Timothy lived there in the last part of the 1800s."

Selectmen Chairman John N. DeCosta noted nice things do happen and should be recognized. "We thank Mr. Norton very much", he added.

The second item of good news is in a letter from Paula and Steven Bonney of 9 Oakland street in which Mrs. Bonney wrote, "I hope that this might be the beginning of a peaceful relationship with the Tripps."

The Bonneys and Tripps at a previous selectmen's meeting had a difference of opinion on the location and noise from the Bonneys' dog pen. The two families live adjacent to one another.

Mrs. Bonney wrote, "As per your instruction we have built a new dog run on the south side of our house. We have been using it (not exclusively) since mid-August. To the best of my knowledge our dogs have been quiet and well behaved all summer long.

"On August 2 my husband spoke to Mr. Tripp regarding our dogs. When asked how he felt about the dogs, Mr. Tripp said, 'I have no complaints about your dogs at this time.'

"Mr. Tripp was very kind during the hurricane when he discovered that my husband was away. He extended his hospitality to myself and two children. He also allowed my cousin to park in his driveway during the storm. They had been evacuated from Peases Point with their five dogs and came to stay with us during the hurricane."

Such items of good news have often been overshadowed by the more troublesome news of the hurricane aftermath, as evidenced by two summer residents of Cove Street, Angelica Point who met with selectmen.

Although not part of the agenda, selectmen heard Richard Sears and Alfred Camara, both residents of Dartmouth, as they asked if the town could give Angelica homeowners a hand removing the four or five foot high piles of sand left by the town bulldozers when they cleared Cove Street following the hurricane. "Will the town remove it or is it our responsibility?" asked Mr. Sears. "I'm over 70 years of age and can't get out there and shovel. And, at $75. or more per hour, we can't afford to hire a small

Selectman Daniel Mahoney said they will have Highway Surveyor Wesley Bowman look at the problem. "When we get his report we will let you know what action we can take."

In other business, selectmen:

RECEIVED A LETTER from Patrick W. Ryan of Warwick, RI in which he advised selectmen that on September 8th at about 2 p.m. his boat struck an unmarked submerged object off the southwest corner of the wharf. He wrote that the assistant harbormaster on duty at the time was notified of the accident. "This letter is to serve notice to you as a claim for any damages which occurred from the accident."

Selectman Mahoney said the letter will be forwarded to town counsel for review. "However", said Mr. Mahoney, "I feel there is no liability to the town. Following a hurricane of the severity of 'Bob', users of the wharf should be aware of any potential hazards."

Mr. Faulkner wrote, "It was an extremely difficult decision to make. I have been with the department since 1981, have enjoyed living in Mattapoisett, have made many friends, whom I hope will remain friends for a lifetime. I have enjoyed working for you and with the members of the department. I would like to thank you for all of the considerations you have given Carol, Andrew and myself.

"As you are aware, I was offered and accepted a position with the Bristol County Sheriff's Office. I will be working as a Lieutenant assigned to the Training Division, where I will be doing law enforcement and corrections training. It will be an administrative position which will give me nights, weekends and holidays off which will allow me to enjoy a more normal family life, especially with the baby. There are also some employment benefits that are not currently available with this department that I had to consider.

"I am thankful to have been given the opportunity to have lived and worked here and have gained numerous experiences and memories that will remain with me and my family. I wish the department and its members success in their endeavors. If I can be of any assistance at any time please call me."

Selectmen DeCosta, Mahoney and Paul E. Lambalot agreed there will be a loss to the town of a fine officer. They will send a letter of congratulations on Mr. Faulkner's

PROFESSIONALS IN REAL ESTATE

Are You a Serious Buyer?

The serious buyer wanting a home in Mattapoisett must consider this house.

Why?

See the reasons below.

This is a 4 year old, oversized custom Cape with deeded beach rights to one of Mattapoisett's premier beaches - The Cedars.

It has 8 rooms, 2½ baths, attached 18' x 24' garage, full dry basement, a 1/3rd acre lot.

The first floor features a fireplaced family room, a formal dining room, a living room, an eat-in kitchen, a half bath, and a lovely foyer. The rooms are all large with hardwood floors and the oak cabineted kitchen and the foyer have ceramic tiled floors. The garage is completely plastered and has an entrance directly into the house.

The second floor features a huge master bedroom with 2 large walk-in closets and its own private bath. There are two other large bedrooms, an attractive full bath, and an additional room that could serve as an upstairs den.

There is 2 zone oil fired hot water heat, 100 amp electric service, town water, and an approved septic system.

Finally, the best reason for the serious buyer to buy this house is it's priced incredibly at only $165,000!!!!!

new position and wishing him and his family best wishes for the future. Mr. Faulkner and his family will have to move to Bristol County.

MET BRIEFLY with Rick DeTucci, chairman of the Recreation Committee, to discuss the future of the recreation programs with no budget appropriation for fiscal 1992. The chairman said he would like to go on record as being upset with not being notified earlier than 24 hours before the vote that the budget would placed on an override. "We were upset with the process and didn't have sufficient time to prepare an explanation of our needs."

Chairman DeCosta explained the budgets were done at the last minute. He asked Mr. DeTucci to come up with a survival budget to take the program through the balance of the fiscal year (June 30, 1992).

Mr. DeTucci asked "Where do we go from here? We have no director, no budget. Winter sports trials and sign-ups will begin in October for about 300 to 350 young people. We have some help from the MYAA (Mattapoisett Youth Athletic Association). What is your guidance?"

Selectman Mahoney said there will be a special town meeting coming up, and asked for a bare bones survival budget for the balance of the year. "We realize everybody will be competing for a small pot of money, but you have a nifty group who work so hard. We'll do what we can do." Mr. DeTucci exclaimed, "That's what we hoped to hear."

WERE INFORMED by the Buzzards Bay Project Manager Joseph E. Costa that Mattapoisett has been granted the sum of $12,100 to help implement a boat pump-out program in town. Mattapoisett's proposal was accepted based on the merits of the town's commitment to address the problems by the improper disposal of boat wastes. Chairman DeCosta said the board is pleased with this grant. "In consulting with the harbormaster, Steven Mach, we have determined the pump-out can be placed on Long Wharf

APPOINTED Christie L. DeCosta, 41 River Road to the Old Colony Regional Vocational-Technical High School Committee to fill the vacancy created by the death of Vincent Worden, term to expire April 1992.

The appointment was made jointly by members of the Mattapoisett School Committee Peter B. Hodges, Mark E. Whalen and Andrew F. Lynch and Moderator R. William Blasdale and the board of selectmen.

Selectman Lambalot said that although all three applicants are well qualified, Mrs. DeCosta, who served seven years on the Acushnet School Committee, has a strong background in school affairs. The other applicants were Eleanor C. Lewis and Llewellyn Roberts.

RECEIVED AN APPLICATION for appointment to the Finance Committee from Jennifer Allen Bungert, 55 Church Street. Mrs. Bungert, who majored in Finance, is presently employed at Rohammer Corp. in Boston as financial analysis/accounting/office management. Her name and resume will be referred to the finance committee for its recommendation, and will be placed on file until such time as an appointment is made.

SEPTEMBER IS HERE

It's time to pamper yourself. The kids are off to school and you have time to do something about your hair and enjoy the peace and quiet. You deserve it after the days at the beach with kids. CALL TODAY. Let me make you a new woman. Toni will be closed Sept. 23 until Sept. 28. Back on October 1 to serve you.

license to Antone's Restaurant, Fairhaven Road (Route 6). Owner David Furtado has indicated there will be piano/organ music played. The effective time on the license is 8 p.m. to 1 a.m. Selectmen noted this is the first time an amusement license has been issued to the restaurant.

NOTED both Sean P. Ellis and Dennis J. Tripp have passed their physical exams making their appointments to the fire department approved.

APPROVED THE OPENING of the scallop season at October 1 for this year rather than the usual scheduled opening of November 1, at the recommendation of Shellfish Constable Brian Nunes. Mr. Nunes says there are not enough scallops for commercial fishing. There are some out there, he said, but they won't last until November.

Mr. Nunes also advised selectmen that Rodman Taylor of Taylor Seafood will be giving the town 100,000 to 300,000 seed scallops, as per the agreement made with the town when a license was granted. Mr. Nunes is undecided at this time where to plant the seeds.

WERE NOTIFIED by the state Division of Marine Fisheries of opened, prohibited and seasonally restricted areas to the taking of shellfish.

MATTAPOISETT LAND TRUST
TO PARTICIPATE IN COASTAL CLEAN-UP

On September 21st the Mattapoisett Land Trust will participate in the annual COAST-SWEEP. This is the fourth year of Coastal Zone Management's coordination of COAST-SWEEP. Last year over 4,000 persons participated in the project, clearing some 30 tons of debris from over 211 miles of Commonwealth shoreline.

This year the volunteers will be cleaning the Land Trust's property next to the town wharf. This property was hit particularly hard by Hurricane Bob, leaving much debris and trash in its wake.

The Land trust invites all of Mattapoisett to help out the community on this day. Mattapoisett businesses are encouraged to participate as well. Supplies for the clean-up will be provided. Participants are encouraged to wear workshoes and gloves.

YMCA CAMP MASSASOIT TO EXPAND TO YEAR-ROUND USE

A special permit was granted to the Greater New Bedford Young Men's Christian Association, Inc. (YMCA), 25 South Water Street, New Bedford for a change in the summer camp use of Camp Massasoit at 38 Reservation Road to expand to year-round use and to rehabilitate and winterize the Main House.

The property comprises 60,984 square feet, although the camp itself comprises 25 acres. The property borders on the Mattapoisett Harbor and Mattapoisett River and has frontage on Reservation Road. The use as a summer day camp for boys and girls was in existence at the time of zoning by-laws adoption in 1967 and is a lawful non-conforming use of the property.

The proposed renovations would include the removal of a portion of the existing building, the addition of an open air porch and open air pavilion, the installation of insulation, a heating system and a sprinkler system, making the building handicap accessible, and renovating the first floor into an activity area. The proposed use is for year-round after-school youth programs, youth fellowship nights, senior citizen card game nights and the like in addition

Introducing The First Sunscreen For Your Sofa.

It doesn't look like sunscreen. But it is. Because this high-tech film blocks up to 99% of ultraviolet rays. Rays that ruin fabrics and furniture. The way they damage your skin.

LLumar® is a transparent window film that chemically bonds to the glass. It helps prevent fading, but lets light shine through. So LLumar protects what's inside, without blocking your view outside. That's why it's the clear answer.

to its current use as part of the summer camp complex.

An existing open air pavilion will be enclosed for use as a storage shed and for boat maintenance, and to convert the existing "auxiliary program" building into a year-round day care center for 35 preschool children. A playground and fitness trail on the camp property will be constructed.

The applicants submitted a report from a registered professional engineer as to the adequacy of the existing septic systems. The report indicated that the existing septic systems are adequate for the proposed expanded year-round use.

The applicant intends to construct a sewer pump station to connect the camp complex to the existing town sewer force main which runs through the camp property. The design and permit process is expected to take approximately 12 months and the project is expected to be completed in less than two years. The Board of Health has given its approval to use the existing system until the complex is connected to town sewer. No one appeared in opposition to the proposal.

The appeals board found that the applicants' proposal to connect the camp complex to the town sewer force main will substantially benefit the town by removing a potential pollution source for the Mattapoisett Harbor and River. The camp property abuts the town-owned Reservation Beach and the Mattapoisett River. The board also found the proposal will offer valuable recreational opportunities for town residents. No private homes are in close proximity which would be affected by the proposed year-round use.

cable rear setback requirements to being into compliance and to expand an existing deck on an already existing one-family structure at the North Street address in the Village Residence 10 District.

The encroachment on the setback took place as a result of the construction of a deck in 1987 when the builder erroneously calculated the rear setback to be 60 feet rather than its actual 30 feet. The appeals board feels the non-compliance was the result of the builder's misjudgement and not the petitioners; an honest error and one for which the petitioners should not be held culpable. If not granted the petitioners would have to cut back to a four foot width rendering the deck essentially useless and would require the removal of footings at a hardship to the petitioners.

Fire Chief Receives Certificate

Mattapoisett Fire Chief Donald C. Wood received a Delegation of Authority designation from the State Department of Public Safety, Office of State Fire Marshall Joseph A. O'Keefe. (The occasion was noted at the August 13th selectmen's meeting and would have been reported in the August 21st issue if Hurricane Bob had allowed us to print one.)

Selectmen Chairman John N. DeCosta explained Chief Wood has the responsibility to make inspections of such buildings designated by the state fire marshall's office, and that he does a good job of following up on all those inspections, the chairman said.

Mr. Wood, who has been fire chief for eight years, has a long history covering 50 years' association with the Mattapoisett Fire Department. Starting in 1941 as a junior firefighter during the war years, he continued his association with the Mattapoisett Fire Department while working for 24 years as a civilian firefighters for the United States government.

The chief related that since 1944 following the death of Fire Chief Calvin Perkins, George Bradley became fire chief, followed by Kenneth Wood (Donald's father), then

Fire Chief Donald C. Wood and Selectmen: Daniel O. Mahoney, Chairman John N. DeCosta, and Paul E. Lambalot as the chief is presented a Delegation of Authority Certificate given by the Commonwealth of Massachusetts, Department of Public Safety, Office of State Fire Marshall Joseph A. O'Keefe.

THANK YOU!

... to all the people and companies that provided coffee, snacks and support to the Brownell workers during Hurricane Bob. Your efforts helped us to haul 220 boats to safety in a 24 hour period before the storm. Your support before, during and after the hurricane is greatly appreciated. Thanks again.

Paul Bradley, George's son, with Donald continuing the chain of Bradleys and Woods as fire chiefs, covering 47 years.

In discussing past fire stories, some humorous, some tragic, Chairman DeCosta told of when he was a small child of one year, his older brother, age eight, died as the result of a fire in their home.

Chief Wood told about one of the first fire trucks which was built in the early 1920s by Enoch Winslow. He said that in 1927 the town got a new fire truck from the Maxim Company. (In reviewing old town records, it was found the new truck cost $7,500.)

Selectman Daniel O. Mahoney joined the reminiscing, saying that in the early years the horse team owned by his grandfather, Dennis Mahoney, pulled the fire wagon in town.

Friends of the Elderly

ELECTION OF OFFICERS

The Board of Directors of the Friends of the Elderly of Mattapoisett, Inc. met on Monday, September 9th, to elect officers and to set up a SHARE committee.

Vivianne Surprenant was elected president and Rosalie V. Joaquin, treasurer. In reviewing the accomplishments of our 20 months of existence, it was pointed out that not only had Jim Joaquin, past president, led us to a financial success, but that he had brought about a favorable vote at the annual town meeting of 1990 to accept Chapter 59 Section 5 Clause

41C of the G.L. of Massachusetts.

Clause 41C pertains to a real estate tax exemption or abatement of up to $500. for persons 70 years or over who have owned and occupied a home in Mattapoisett for the past 5 years and have lived in Massachusetts for 10 preceding years. This could be a great financial relief to seniors.

The SHARE committee met on Friday, September 13th, to set up its organization and to plan to register SHARE participants in early October and to have the food picked up on the fourth Saturday of October.

Watch your church bulletins and Presto for further announcements.

SIGNING LANGUAGE CLASS

The Friends of the Elderly of Mattapoisett will sponsor a Signing Language Class to be held at Village Court each Tuesday evening from 7:00 to 9:00 beginning September 24th. This will be a ten-week course at a total cost of $50.00. The teacher will be Andree Howard of Mattapoisett.

Due to the fact there are deaf children in the community "The Friends" felt a definite need for this language class. The St. Anthony's Church Guild has generously offered to sponsor one young person, and the Mattapoisett Lions' Club will generously supply the textbooks for the course.

Space is limited; Please call Vivianne Surprenant, 758-6451, or Nancy Fleming, 758-6900, to register.

WORKSHOPS TO RESUME

The Friends will resume workshops for seniors each Wednesday afternoon at Village Court, 1:30 to 3:00 beginning September 25th.

The first session will be a get acquainted workshop with games and refreshments. The Friends will discuss all the future workshops at this first session.

Everyone is welcome; no need to call, just attend and bring your friends.

SHARE - NOW IN MATTAPOISETT

WHAT IS SHARE? It is not a charity nor government aid. It is a self-help food and community building program where you receive two or three times more nutritious food for your money. If you eat, you qualify -- you have only to do two hours of community service for each food package, which consists of at least 15 food items: frozen meats, fresh fruits, fresh vegetables, pasta, beans, rice, etc. The food package varies each month and will cost $13.00 plus $1.00 for transportation, postage and administrative costs, a total of $14.00, cash or food stamps (no checks).

WHEN WILL SHARE BEGIN? "The Friends" will begin as a SHARE host in October. First pick-up day will be Saturday, October 26th. The SHARE pick-up site will be the Henry Dunseith property (Sea Horse), Route 6, Mattapoisett.

WHERE TO REGISTER: Date and location to be announced next week. For this first month we will have more than one day of registration. For future months Registration Day or Payment Day will be the first Thursday of each month. All participants who have already signed up at "The Friends" annual meeting will be contacted by telephone.

SHARE is People Helping People. For more information on where you can get your SHARE, call Rosalie Joaquin at 758-2887.

Tobey Hospital Guild

Tobey Hospital Guild will be celebrating its 50th anniversary with a luncheon to be held on Thursday, September 26th, at 12:30 o'clock at the R.L.D.S. Campground Community Center, off Onset Avenue in Onset.

Reservations may be made by calling Kay Wishnow (295-0653), Joyce Cook (295-6765) or Marian Tift (295-2765) before September

Project GROW Screening

SCHEDULED FOR SEPTEMBER 27th

The first screening clinic of the school year will be held on Friday, September 27th, at the Sippican School. The screening is offered to three and four year old children residing in the towns of Marion, Mattapoisett, and Rochester. The purpose of the screening is to identify young children with potential learning problems.

Funds to offer this monthly screening are provided by the Massachusetts Department of Education. Project GROW staff will conduct the screening in the pre-school classroom at the Sippican School.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target" call 748-0100 for an appointment.

Screening clinics will be offered regularly throughout the school year.

Flea Market

The 5th annual Flea Market will be held Saturday, September 21st, from 9 a.m. to 3 p.m. at the Long Plain United Methodist Church, 1215 Main Street, Acushnet; rain date is September 28th.

A 20' x 20' space is available for $15.00; for more information call Sue at 763-9561.

The church will have a snack bar, a white elephant table plus a delicious baked sweets table.

Join us there. Don't miss it.

If anyone could donate even a little time at the recycling center it would be greatly appreciated.

Hetty's Thrift Shoppe

Summer is almost over and it's time to think about fall and winter clothing. Hetty's Thrift Shoppe is overstocked with good, used clothing for men, women and children.

Now that the children have returned to school, why not sit down and relax with a good used book bought at Hetty's.

Come and see for yourself the selection of items available. At our Thrift Shoppe, prices are reasonable and you will find bargains galore.

Hetty's is open Tuesday and Thursday 10 a.m. to 5 p.m.

Be sure to stop at Hetty's, 1061 Pleasant Street, New Bedford, corner of Pleasant and Campbell Streets.

All proceeds benefit New Bedford Child and Family Service.

The September Birthstone

SAPPHIRE

The symbol of

Truth, Sincerity and Faithfulness.

The Persians believed the earth rested on a Sapphire whose reflection gave color to the sky. In the Zenzkar mountains, home of the famous Kashmir Blue Sapphire, villagers used these hard blue gems as flint to make fire.

While most people think of a Sapphire as blue (the "Blue Velvet" Sapphires being the most prized of all), actually the Sapphire comprises all of the highly colored and transparent varieties of the mineral Corundum except the Red, which is called Ruby. Sapphires range from white to near black, through all the shades of Blue, Violet, Yellow and Green, and the Star Sapphires, with their six rays, are favorites of many.

There is a fascination in the infinite variety of Sapphire shades and colorings and in the fact that one gem may appear entirely different under different kinds and degrees of light.

While the deep blue natural Sapphires must be reserved for the few who can afford them, scientists have added their art to that of nature so that beautiful sapphires would be available to all. Synthetic Star Sapphires rival the natural gems in appearance and are an outstanding achievement and less expensive than the natural gems. They are chemically identical and structurally similar, and have the same degree of hardness as the natural. The star asterism is particularly sharp, and the color is an ideal deep blue.

exhibits, lectures and demonstrations, and a boutique and plant sale.

The standard Flower Show, which includes sixteen design classes, nineteen horticultural classes, and several special exhibits, has an historical theme and the viewer will see eras and events in Sandwich's and Bourne's histories interpreted through floral design and horticultural display.

Floral designs representing period and contemporary arrangements, table settings, and miniatures will be exhibited in the Art and the Military Museums. The majority of the designs will be executed by Aptucxet Garden Club members; however, there are invitational classes for Sandwich flower arrangers and Museum flower arrangers. Early Dutch-Indian trading, Sandwich glass, China trade and contemporary tourism are a sampling for themes to be interpreted.

Horticultural exhibits to be seen in the Round Barn will cover many categories such as native American fruits and vegetables, Victorian perennial borders, full-flowering bulbs, and herbs. A special feature will be Trough Gardens caste and planted by Garden Club members.

Special exhibits on the flower show schedule include a sand culture exhibition garden, Junior Gardeners' projects, a Pot-et-Fleur exhibit, and an exhibition garden planned, planted and maintained by the provisional garden club members. Heritage Plantation Museum curators have planned a floral art exhibit for the Old Barn Gallery in conjunction with the festival.

The Aptucxet Garden Club, which was organized in 1938, is a member of the Garden Club Federation of Massachusetts, Inc. and the National Council of State Garden Clubs, Inc. The Standard Flower Show will be

As a gastroenterologist, Dr. Murphy treats gastrointestinal, pancreatic and liver problems, including: peptic ulcers and other stomach diseases; intestinal diseases such as colitis, polyps and inflammatory bowel disease; pancreatic disease; diseases of the esophagus; diseases affecting the liver and bile ducts; and nutritional problems.

He brings expertise and training in a number of new technologies that will now be available on a regular basis at Tobey. Dr. Murphy will be performing a wide range of endoscopic surgery for both diagnostic and therapeutic purposes, including treatment for stomach and intestinal bleeding using a heat cautery or injections through an endoscopic tube. This replaces much more extensive and invasive surgery to treat bleeding problems.

The gastroenterologist also will offer alpha-interferon therapy for patients with chronic hepatitis C. A high percentage of these patients often develop other, life-threatening diseases without treatment. Several recent studies have shown that the anti-viral drug, alpha interferon, can prevent these diseases. As part of his fellowship at UMass Medical Center, Dr. Murphy recently set up the protocol for a major, four-year study of this treatment.

For more information or to schedule an appointment with Dr. Murphy please call 291-3351. His office is located in the Church Cove Office Park on Church Avenue in Wareham, Suite 101.

And, to obtain a directory with the full listing of physicians and services at Tobey Hospital, please call the Public Relations Office at 295-0880, extension 205.

"Celebrate 25! aims to give the community a relaxing and enjoyable opportunity to see the best of BCC", said Debbie Lawton, director of student activities and chair of the Celebrate 25! committee. "We invite everyone to come by and take advantage of the many different activities."

Throughout the campus people will find lots of different events going on. "And at 3 p.m. the college will cut the half-ton birthday cake, and there will be a piece for everyone", said Ms. Lawton.

Celebrate 25! takes place rain or shine. "We have ample room for all events indoor in case of bad weather", added Ms. Lawton

The schedule includes:

Open House: every building will be open, and faculty, staff, and students will offer demonstrations showcasing the college's academic program. "For example, the Theatre students will give an interpretive dance, and art students will demonstrate art classes, the Music Club will do a musical program. Office Administration will demonstrate the state-of-the-art labs and training they offer. The Environmental Club will lead nature walks throughout the afternoon, and there will be several Planetarium shows. And, of course, the Culinary Arts students are baking our huge birthday cake", said Ms. Lawton.

Grant to WHALE

WHALE (Waterfront Historic Area League of New Bedford, Inc.) has received a $15,000 Challenge Grant from the Architectural Heritage Foundation in Boston. The grant will be matched one-for-one in a community-wide campaign to raise a total of $30,000 to help support WHALE's operations. The grant, itself, will be applied to a portion of WHALE's outstanding debt.

WHALE is a thirty-year old, 800 member, historic preservation organization known for its work in restoring New Bedford's Waterfront Historic District and almost thirty of New Bedford's outstanding historic buildings. WHALE's major current project is a joint venture with the Interchurch Council of Greater New Bedford to rehabilitate and re-use the 1831 Joseph Grinnell Mansion on County Street for congregate housing for low-income elderly people. Other current projects include the preservation and reconstruction of the 1718 William Hart House on a site in South Dartmouth, the provision of continuing financial support to the Zeiterion Theatre, and, in cooperation with the National Park Service, the management of a Special Resource Study for New Bedford.

The Architectural Heritage Foundation, a family foundation established to preserve historic buildings, is well-known for its restoration and re-use of Old Boston City Hall. In New Bedford, it has assisted in the rehabilitation of the Benjamin Rodman House and the Rodman Candleworks in the Waterfront Historic District, and the William Rotch Rodman House on County Street.

Whaling Museum

VOLUNTEER COURSE

There are still a few vacancies in the New Bedford Whaling Museum's Volunteer Training class which starts at the end of September. Given at no charge by the Whaling Museum, the course lasts 14 weeks. Successful completion allows the volunteer to lead guided tours of the exhibits, give talks on whaling and local history to school groups and other organizations. Volunteers also assist on special projects.

Applicants must have an interview with members of the Museum's Volunteer Council and the Museum's Education Department before starting the course. Meetings are from 9 a.m. to 12 noon every Monday.

Please call Pat Howard at the Museum (997-0046) so that she can schedule an interview.

Lloyd Center Whale Watch

Be sure to reserve Saturday, September 28th on your calendar, as the Lloyd Center is planning an exciting day involving a whale watch, a walk through dunes which were once forests, and some free time supper or shopping in Provincetown. Join Lloyd Center Director Mark Mello for a walk through the sand dunes at Provincetown as he explains the significance of preserving the coast's protective barrier. Following the walk, get aboard a ship to view one of nature's amazing animals as well as to take in the beauty of the open ocean. Finally, upon the conclusion of the whale watch, there will be time to eat in Provincetown or shop at the local stores.

The fee for this trip is $40.00 for members and $45.00 for non-members. Transportation is provided. This trip is limited to only 12 people, so make your reservations now by calling the Lloyd Center at 990-0505.

Canoe Trip

On Saturday, September 21st, Lloyd Center Director Mark Mello will lead a canoe trip on the Taunton River through the towns of Middleboro and Raynham. This trip is sure to be an enlightening experience as

sponsored by Baker Books and the Durant Sail Loft Inn. In the coming 10th anniversary season the Zeiterion will present four additional travelogues: "Brittany & Normandy", Friday, November 29th; "The People of Portugal", Friday, February 7th; "The Voyage of Columbus", Friday, February 28th; and "A Grand Tour of Europe 1892", Friday, April 24th.

Doug Jones, one of America's leading travelogue producers, will present and narrate in person his latest feature-length film production, "Queen Elizabeth II Sails New Zealand and Australia". Mr. Jones is no stranger to the QEII. His first journey aboard this famous liner resulted in his film production, "The Great World Cruise of the QEII" which focused on a 30,000 mile, 24 port voyage around the world. In this, his newest production, he explores the sweeping panorama of Australia and the magic beauty of New Zealand from the "lap of luxury" comfort of the QEII. The film includes stops at Auckland, Roturua, Christchurch, Queenstown, Milford Sound, Wellington and Mount Cook in New Zealand; along with stops in Sydney, Tasmania, Adelaide, Perth and Alice Springs in Australia.

"These are remarkably different countries. One is the size of the entire United States, the other smaller than California. One is arid and barren, the other lush and filled with rugged mountains and breathtaking

scenery. One has virtually no natural wildlife, the other possesses an amazing world of creatures unknown on any other continent. Within Australia and New Zealand, you can find virtually anything a traveler could want including friendly open people, who speak the same language...or at least a facsimile", commented Mr. Jones.

Doug Jones has been sharing his world journeys with audiences across America since 1968. He enhances his film productions with his lively narrative, and enjoys answering questions about these foreign lands. Mr. Jones has presented films for The National Geographic Society at Constitution Hall in Washington, DC and on the stages of the Los Angeles Music Center, the Seattle Opera House, Atlanta's Symphony Hall and many other theatres and auditoriums throughout the United States and Canada.

Tickets for the Travelogues are $7.50 each. Subscriptions are available for all five travelogues at $25.00 per person; seniors/student tickets are $6.00. Group rates are available. Tickets are available at the Zeiterion Box office at 994-2900, and are also available at all Ticketmaster locations, or by calling Ticketmaster at (617) 931-2000.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible.

The Zeiterion Theatre is funded in part by the Massachusetts Cultural Council, the Arts Lottery Councils of Acushnet, Freetown,

from local Quaker Meeting Houses and a number of area Friends many of whom are direct descendants of the early settlers. The exhibit focuses on the Quaker ethic and life-style as it evolved in this region and as it related to the Rotch and Jones families.

On Sunday, September 29th, a special Friends tea is scheduled at 4:00 p.m. Prof. Jeanne Henriette Louis, the author of a book about William Penn, will give a talk about William Rotch and the French Quarters. Prof. Louis is visiting from the University of Orleans in France. The public is welcome.

To coincide with the exhibit, a Quaker lecture series is scheduled for Tuesday evenings, October 29th, November 12th, and November 19th. Details will be announced in early October.

College Club

The College Club of New Bedford will meet September 25th at 7:00 p.m. at the Millicent Library, Fairhaven. Guest speaker will be Dr. Florence Mahon. Her topic will be "A New Approach to Helping in Literacy" with her video "Building Word Power".

Fall Festival at Ashumet

The Fall Festival at Mass. Audubon's Ashumet Holly and Wildlife Sanctuary in East Falmouth will be held on Saturday, September 28th, from 10 a.m. to 3 p.m. The Festival will feature activities for the whole family. Admission is free.

There will be a slide program and guided walk of the Sanctuary at 10 a.m. and 1 p.m. The outstanding collection of holly trees at Ashumet were not damaged by Hurricane Bob although many oaks, pines and locust trees were blown down. The major trails of the Sanctuary will be open for visitors to observe the many unusual species of plants and trees at the Sanctuary.

Children's activities will include pony rides, face painting and a field devoted to special games.

Olga I. Cartwright of Pocasset will present a lecture and cooking demonstration at 11 a.m. on "Cooking with Herbs". Fall crafts, herbs, and many gift items, including the Ashumet Cup Plate collection, will be sold in the Sanctuary Gift Shop. Refreshments will be available as well as a bake sale and white elephant table.

The Festival is sponsored by the Friends of Ashumet, volunteers at the Sanctuary, and all proceeds are used to maintain the grounds. Ashumet is located off Route 151 and Currier Road in East Falmouth. For more information call 565-6390.

of foursome, and the contests include Longest Drive, Straightest Drive, and Closest to the Pin. There will also be a Hole-in-One contest to win a car awarded by O'Hara Chevrolet Cadillac Geo.

The tournament is being sponsored by Fairhaven Savings Bank.

The entry fee which includes the greens fee, cart, and dinner buffet is $60.00.

All proceeds benefit the New Bedford YWCA, a non-profit community organization that provides opportunities for women to gain control of their lives, broaden their horizons, and strengthen their families. To participate call the YWCA at 999-2961 for an entry form.

Women's Golf Association

On September 11th the members of the Otis Golf Club were luncheon guests of the Women's Golf Association of Little Harbor Country Club.

The two clubs participated in a Four-Ball Best-Ball tournament.

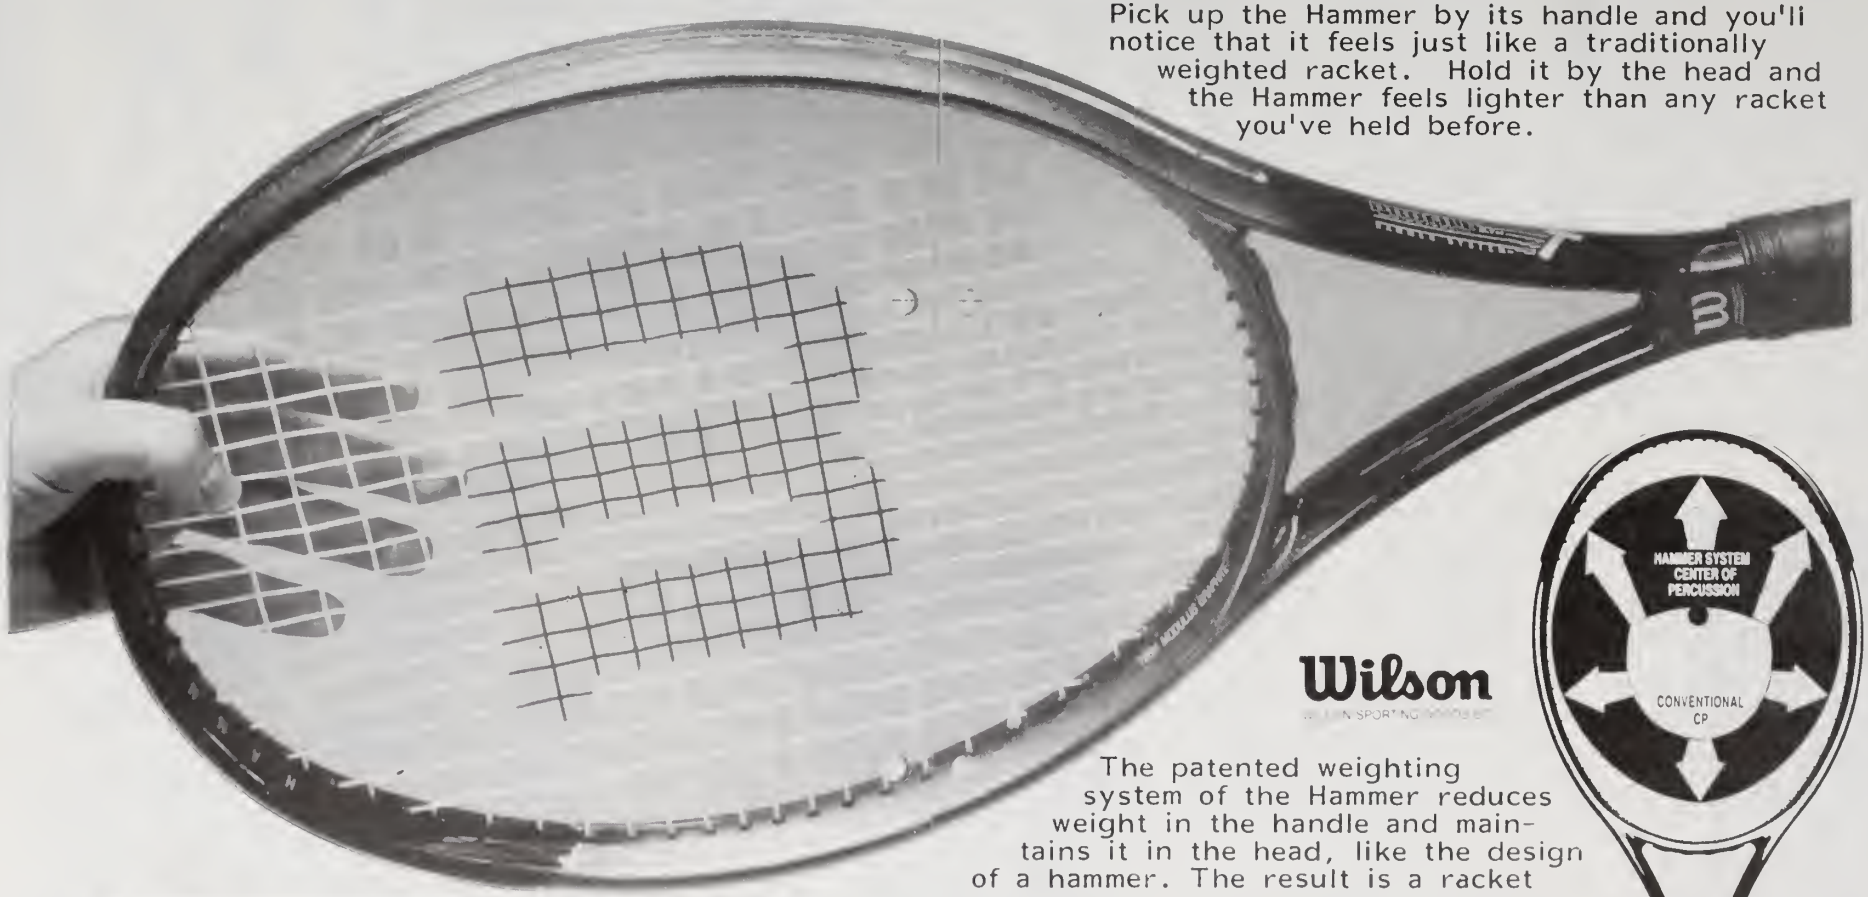
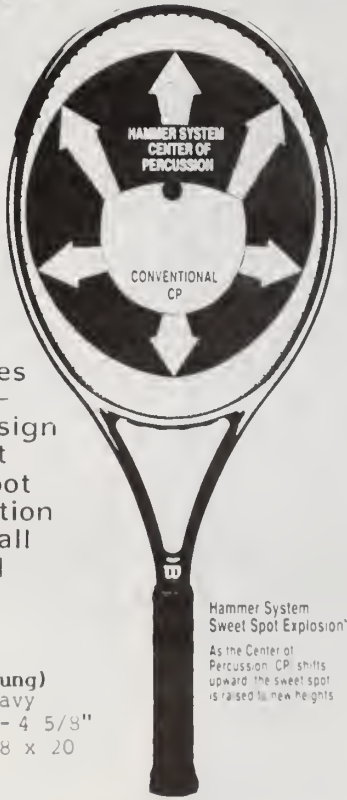
The Next Revolution in Racket Design.

THE HAMMER SYSTEM

A potent combination of maneuverability, power and control.

Pick up the Hammer by its handle and you'll notice that it feels just like a traditionally weighted racket. Hold it by the head and the Hammer feels lighter than any racket you've held before.





Hammer System
Sweet Spot Explosion

As the Center of Percussion (CP) shifts upward, the sweet spot is raised to new heights

Wilson

The patented weighting system of the Hammer reduces weight in the handle and maintains it in the head, like the design of a hammer. The result is a racket with the highest and largest sweet spot ever created. There's little or no vibration and shock upon impact. You can hit the ball practically anywhere on the racket face and still hit solid shots.

Design: Dual Taper Beam
Head Size: 95" & 110"
Composition: 85% Graphite, 13% High Modulus Graphite, 2% Kevlar
Avg. Weight (Strung): 10.0 oz.
Avg. Balance (Strung) 12 pts. Head heavy
Grip Size: 4 1/8"- 4 5/8"
String Pattern: 18 x 20
